

**The Worshipful Company of Engineers'
combined Dinner with
The Worshipful Livery Company of Wales
at
THE CLINK**

Mrs Audrey Canning, Master of the Worshipful Company of Engineers, chose Cardiff as the venue for her Master's Moot over the weekend 1st to 3rd July 2022.

She invited the Master and other Welsh Liverymen to join them for their Friday night dinner at the Clink restaurant. 10 Welsh Liverymen plus their guests joined the Engineers, of which PMs Dr Keith Williams and Mr Windsor Coles are also members.

The dinner at the Clink was of a high standard and the Master of the Livery Company of Wales was invited to reply to the Welcome to the Guests and propose a toast to the continued success of the Worshipful Company of Engineers.
