The Welsh Livery Company is proud to continue to be involved in the Queen's Green Canopy's unique tree planting initiative in honour of The Queen's 70 years of service. This week, on Wednesday 6th April, they planted a winter flowering cherry tree in the grounds of Sophia Gardens in the city of Cardiff which has become the QGC's Champion City. The Master, Officers and Liverymen were joined by the Lord Lieutenant of S. Glamorgan Morfudd Meredith

The tree planting was followed by drinks and a sumptuous lunch at Sophia Gardens which gave Liverymen the opportunity to socialise and catch up with one another .
