Our Company was represented at the Graduation Ceremony of Cardiff University 2023 held at St. David's Hall, Cardiff on Tuesday 18 July 2023.

Our Senior Warden **Agnes Xavier- Phillips JP DL**, Cardiff University alumna, Council Member and SU Trustee was the Orator for the annual Honorary Fellowship awarded to **Professor Karen Margaret Holford CBE**, a Welsh

Engineer, Professor of Mechanical Engineering and Vice Chancellor and Chief Executive of Cranfield University.

Professor **Karen Holford** was the former Deputy Vice Chancellor of Cardiff University and in 2008/09, she was the recipient of the **The Worshipful Livery Company of Wales'** Achievement Award. It is indeed a great honour for our Company that one of our Award Winners has so aptly been recognised for her many outstanding contributions.
