Fishmongers' Hall

Thursday 21 November 2024

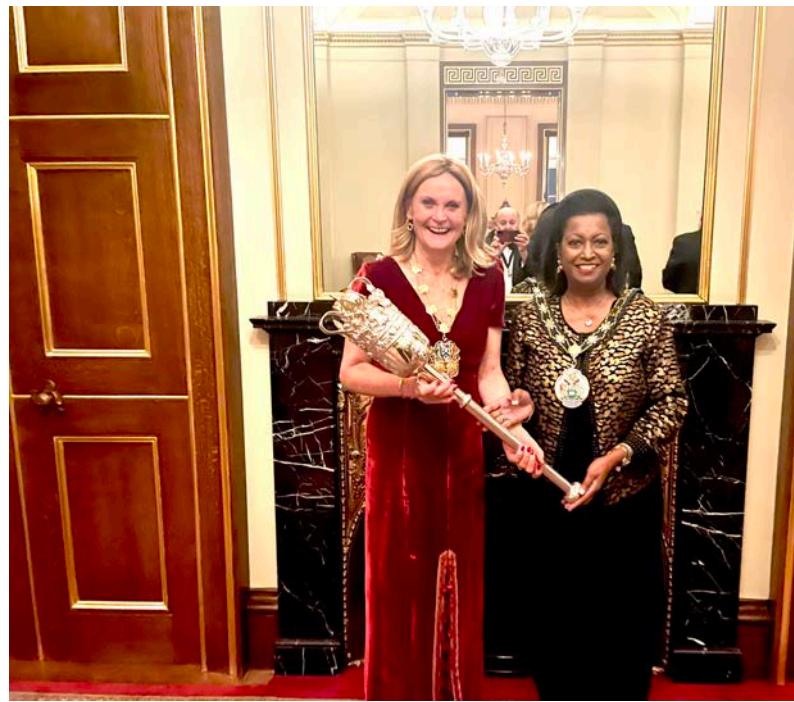

The Worshipful Company of Pavors held their Autumn Dinner in The Fishmongers' Hall, London on Thursday 21 November. The dinner was served in the majestic Banqueting Hall which boasts not one but three world famous 18th century pictures of the Royal Family.

The Worshipful Livery Company of Wales was represented at the dinner by our Master Agnes Xavier-Phillips JP DL who was a guest of PM Pavior Dyfrig James.

It was great to meet Master Pavior **Melanie Hampton** , Officers and members of the Pavions Company, Liverymen and Masters of other London Livery Companies.

Following good food, wine, musical interlude and speeches, the splendid evening ended with the Stirrup Cup which gave everyone an opportunity to have a last drink and more socialising.
