Haberdashers' Hall, London

! Thursday 6 March 2025

What a fabulous night at the City & Affiliations Livery Dinner held in the Haberdashers' Hall, London on Thursday 6 March.

The Dinner was an event to celebrate the friendships between The Haberdashers' Company, other livery companies, a variety of City institutions and military affiliations.

The Worshipful Livery Company of Wales was represented by the Master Agnes Xavier-Phillips JP DL who was invited as a top table guest by the Master Haberdasher Alderman Sir William Russell and Wardens.

During the Drinks Reception where champagne flowed freely, our Master was able to catch up with the Sheriffs of London Alderman Gregory Jones KC, Sheriff David Chalk, Master Feltmaker Jeremy Bedford Master Solicitor Edmund Parker, Master Draper of Shrewsbury Trevor Hunt, PM Haberdasher Rupert Elliott and many others.

The musical entertainment for the evening following the delicious three course dinner was Eliza de Silva from the Haberdashers' Girls' School who gave a wonderful violin performance.

The guest of honour was The Rt Hon. the Lord Mayor Alastair King who gave a very entertaining speech. He was accompanied by the Lady Mayoress Florence King who had the Lady Mayoress Sleep Out later in the Guildhall Yard to raise awareness of homelessness.

The evening ended with more opportunities to catch up with Ian Thomas CBE, Richard Booth KC, Tim Rolph, Rhys Major and many others over drinks
