

Huge congratulations to Hannah Mills, 2004 WLCOW Merit Award Winner, for winning the Gold Medal at the Tokyo 2020 Olympics and becoming the most successful female Olympic sailor in history!

Excellent!

The Livery Company of Wales congratulates Hannah Mills on this Olympic victory and all her other achievements since she was honoured in 2004 with the WLCOW Merit Award.

Competition in the 470 class of yacht is not included in the Paris Olympics (2024) and maybe sailing retirement looms, but, whatever the future holds for Hannah, the Welsh Livery Company wishes her well.
