

WLCow Christmas Luncheon Dec 14th, 2021

Liverymen met to Celebrate Christmas at a luncheon in the Cardiff and County Club Westgate room. We began with a sparkling wine reception followed by a welcome from the Master. The Reverend Cannon Doxey said Grace and then the excellent Christmas Lunch was served. A very enjoyable convivial event began.

It was good to meet New Liverymen including Roland Adigee and to catch up with some who had travelled from London and the Southeast including Stephen Talbot and His Wife Deborah, Dyfrig James and his wife Glesni and Charles Slatter.

After the meal the Master thanked everyone and noted some other memorable social events that we had shared in 2021 including Usk Castle, the Art Auction, the Athenaeum Dinner and the visit to Belfast.

The forthcoming Awards Celebration Dinner at the Sophia Gardens Stadium in January was highlighted as something to look forward to - if safety allows. Tree planting in North and South Wales will be part of our celebration of the Queens Platinum Jubilee in 2022, marking this very special occasion. We took our leave with good wishes to all for Christmas and the New Year
