

**Cardiff Business Club
Christmas Lunch Hears
About 'Transformational'
Industry**

Sophia Gardens - Monday 16 December 2024

The Cardiff Business Club drew its events schedule for 2024 to a close with a sell-out Christmas lunch which heard about an industry which could ‘transform the Welsh economy’

Stuart George, managing director of Bute Energy, told the audience at Glamorgan County Cricket Club about the firm’s development pipeline of onshore renewable energy projects – the largest in Wales.

Our Master, a VP member of the CBC attended the event and was delighted to have Founder Master of the Worshipful Livery Company of Wales Sir Norman Lloyd-Edwards and Honorary Liveryman Lord Lieutenant of Mid Glamorgan Peter Vaughan join her for lunch on the top table.
