

HONORARY FELLOW

CARDIFF UNIVERSITY - JULY 2026

I was very humbled and honoured to accept an Honourary Fellowship from Cardiff University, the only Russell Group University in Wales from the **Chancellor, Laura Trevelyan** and the **Vice Chancellor, Wendy Larner**.

Cardiff University

My connection to Cardiff University runs deep, it is the exact institution that nurtured my early ambitions and set me on the path to qualifying as a lawyer and I also served as a Council Member for

9 years and as a University-appointed Trustee for the Cardiff University Students' Union. My sincere thanks to Cardiff University for this tremendous honour!

My warmest congratulations to the graduating Class of 2026 !
