

**COMMON HALL THURSDAY 26<sup>TH</sup> JANUARY 2023**  
**CARDIFF AND VALE COLLEGE**

Thirty Liverymen attended this year's Common Hall (10 virtually via "Teams" and 20 in person) at the magnificent new city centre campus of Cardiff and Vale College. This is where the next generation of chefs and front of house staff for the hospitality industry are being trained.

Following the conclusion of the Company's business, eighteen Liverymen remained for dinner which was in the Classroom Restaurant at the College. Everyone enjoyed a superb meal within a very pleasant environment. It was great for Liverymen to once again enjoy "face-to-face" events.
