

## **ALIS HUWS THE FIRST LONDON AWARDEE 2026**

The award was presented to Alis at the River Café luncheon in London on 15<sup>th</sup> January 2026.

Before the main course, we were able to hear from our first Livery Company of Wales, London Award Winner. Alis Huws, harpist and singer, who entertained us beautifully playing Welsh classics such as Hireath (thanks to PM John Charles for spelling it for me!) and even an exciting nursery rhyme where you could hear the running and falling in the music. After she had played the Master presented her with our inaugural Livery Company of Wales, London Award. Alis was delighted and told us how she was going to use it to support a school she has been working with in Powis. Liverymen were delighted that this was continuing to reach out to support music for the young in Wales.
