

WLCOW CONGRATULATES PM DR KATHY SEDDON

"The Learned Society of Wales is the national academy for arts and sciences in Wales, celebrating individuals who have made outstanding contributions to their fields and to Welsh public life. As Chair of the Welsh branch of the Churchill Fellowship, Dr Seddon encouraged Fellows to build on their fellowships and help others to apply. As Master of the Worshipful Livery Company of Wales, she instigated the new post of almoner to provide support for those in need. She set up the Royal Society of the Arts' 'TaffLab' scheme to help young entrepreneurs in the Welsh Valleys. She currently leads Public and Patient Involvement (PPI) in a pan-European project enabling shared decision making for palliative care patients."
